

KEYQUEST HEALTH'S KOL AND PAYER EXPERTISE

- Over a third of our studies include KOLs and / or Payers
 - We have spoken to KOLs in 40 different countries since we launched
- Following are the disease areas in which we have recruited KOLs and / or payers
 - This list is continuously being added to

AAA - Abdominal Aortic Aneurysm	CAPS - Cryopyrin Associated Periodic Syndromes	Diabetic Nephropathy
Acute Heart Failure	CDAD - Clostridium difficile associated disease	Diabetic Renal Failure
Acute Stress Disorder	CDIFF - Clostridium difficile	Diarrhoea
Allergies	Celiac Disease	DLBCL - Diffuse Large B-Cell Lymphoma
Alzheimer's	CF - Cystic Fibrosis	DMD - Duchenne Muscular Dystrophy
AMD - Age-Related Muscular Degeneration	Chikungunya Virus	Dupuytren's Contracture
Anaemia (CKD & CI)	CIDP - Chronic Inflammatory Demyelinating Polyneuropathy	Dyslipidemia
Angioedema (HAE)	Cirrhosis (Primary Biliary)	EBV - Epstein-Barr Virus
Angiogenesis	CNS - Central Nervous System	Epilepsy
Anti-Coagulation	Cold Agglutinin Disease	ESD - Endoscopic Submucosal Dissection
Asthma	Contraception	Fabry Disease
Atherosclerosis	Corneal Neovascularization	FAC - Familial Amyloid Cardiomyopathy
Atopic Dermatitis	Crohn's Disease	Fertility
Atrial fibrillation	Cystic Fibrosis	Fibromyalgia
B-cell Non-Hodgkin Lymphoma	DBS - Deep Brain Stimulation	FSGS - Focal Segmental Glomerulosclerosis

KEYQUEST HEALTH'S KOL AND PAYER EXPERTISE

Bollus pemphigoid	DEB - Dystrophic Epidermolysis Bullosa	Gaucher's Disease
Botulinum Toxin	Dengue Fever	GBM - Glioblastoma multiforme
BPD - Bronchopulmonary Dysplasia	Depression (Major Depressive Disorder)	Glaucoma
BPH - Benign Prostate Hyperplasia	Dermatitis	GLD - Globoid cell leukodystrophy
Cancer - Breast, Bladder, Cervical, CLL, CML, Colorectal, Head & Neck, Kidney, Lung, Melanoma, NSCLC, Ovarian, Pancreatic, Prostate, Thyroid	Diabetes Type 1 & Type 2	Growth Hormone Deficiency
Haemophilia	Leukaemia - Chronic Myeloid / Lymphocytic	PBC - Primary Biliary Cirrhosis
HCC - Hepatocellular carcinoma	LRTI - Lower Respiratory Tract Infection	Pemphigoid
HEP C	LSCD - Limble Stem Cell Deficiency	Peyronie's Disease
Hepatic Encephalopathy	Lupus	Pneumonia
HIV	Menopause	Polycystic Kidney/Liver Disease
hMPV - Human Metapneumovirus	MLD - Metachromatic Leukodystrophy or Krabbe Disease	Polycythaemia Vera
HoFH - Familial Hypercholesterolemia	MPS - MPS II (Hunter Disease)	PSC - Primary Sclerosing Cholangitis
HSCT - Haematopoietic Stem Cell Transplant	MS - Multiple Sclerosis	Psoriasis
Hunters Disease	Myelofibrosis	Psychosis
Huntington's	NASH - Non-Alcoholic Steatohepatitis	PTCL - Peripheral T-Cell Lymphoma
Hurler's Disease	Neonatology	PUD - Peptic Ulcer Disease
Hypertension	Neurology	R.A. - Rheumatoid arthritis
Staph aureus	NHL - Non-Hodgkin's lymphoma	RCC - Renal Cell Carcinoma
Immunotherapy	NMO (Neuromyelitis Optica	Renal Disease
Influenza	Nocturia	Restless Leg Syndrome

KEYQUEST HEALTH'S KOL AND PAYER EXPERTISE

IPF - Idiopathic Pulmonary Fibrosis	Parkinson's Disease	Sjogren's Syndrome
IBS - Irritable Bowel Syndrome	Retinal surgery	SMM - Smouldering multiple myeloma
ITP - Idiopathic Thrombocytopenic Purpura	RSV - Respiratory Syncytial Virus	Stroke
Kidney Disease	Sanfilippo A	Tinnitus
Kidney/Renal Disease - Chronic (CKD), End Stage & ADPKD	Sarcopenia	Transthyretin Amyloid Cardiomyopathy (ATTR-CM)
Obesity	Schizophrenia	Transplantation - Kidney, Liver, Heart, Rejection
Osteoporosis	Sepsis	Ulcerative Colitis
PAD - Peripheral Arterial Disease	Short Bowel Syndrome	Uveitis
PAH - Pulmonary Arterial Hypertension	Sickle Cell	Vaccines

Below are the 40 countries in which we have interviewed KOLs:

Australia	Germany	Netherlands	Sweden
Austria	Ghana	Norway	Switzerland
Botswana	Italy	Poland	Taiwan
Brazil	Ivory Coast	Russia	Tanzania
Canada	Japan	Rwanda	Turkey
China	Kenya	S Africa	UAE
Colombia	Lesotho	S Arabia	Uganda
Egypt	Mexico	S Korea	UK
Ethiopia	Mozambique	Singapore	USA
France	Namibia	Spain	Zimbabwe
